DID YOU KNOW?

This site has been a diner since 1964. On 16 November 1970, Tony Slade took over from John and Sally Hill. Many customers remember the jukebox and fruit machines and the pool table upstairs that provided many hours of entertainment (and distractions for school kids!).

After 54 years in the Slade family, ownership changed hands to the Ketteridge-Tan family in January 2025, who are committed to maintaining the Mocha Diner as a beloved Saffron Walden institution.
